 - A. Motions to Value Collateral (other than claims protected from "cramdown" by 11 U.S.C. § 1322(b)(2) or by the final paragraph of 11 U.S.C. § 1325(a)). Unless a written objection is timely filed with the Court, the Court may grant the debtor(s)' motion to value collateral as set forth herein.

This section deals with valuation of certain claims secured by real and/or personal property, other than claims protected from "cramdown" by 11 U.S.C. § 1322(b)(2) [real estate which is debtor(s)' principal residence] or by the final paragraph of 11 U.S.C. § 1325(a) [motor vehicles purchased within 910 days or any other thing of value purchased within 1 year before filing bankruptcy], in which the replacement value is asserted to be less than the amount owing on the debt. Such debts will be treated as secured claims only to the extent of the replacement value of the collateral. That value will be paid with interest as provided in sub-section D of this section. You must refer to section 4(D) below to determine the interest rate, monthly payment and estimated term of repayment of any "crammed down" loan. The deficiency balance owed on such a loan will be treated as an unsecured claim to be paid only to the extent provided in section 5 of the Plan.

Basis for Avoidance

- 9. Treatment and Payment of Claims.
 - All creditors must timely file a proof of claim to receive any payment from the Trustee.
 - If a claim is scheduled as unsecured and the creditor files a claim alleging the claim is secured but does not timely object to confirmation of the Plan, the creditor may be treated as unsecured for purposes of distribution under the Plan. This paragraph does not limit the right of the creditor to enforce its lien, to the extent not avoided or provided for in this case, after the debtor(s) receive a discharge.
 - If a claim is listed in the Plan as secured and the creditor files a proof of claim alleging the claim is unsecured, the creditor will be treated as unsecured for purposes of distribution under the Plan.
 - The Trustee may adjust the monthly disbursement amount as needed to pay an allowed secured claim in full.
 - If relief from the automatic stay is ordered as to any item of collateral listed in the plan, then, unless otherwise ordered by the court, all payments as to that collateral will cease, and all secured claims based on that collateral will no longer be treated by the plan.
 - Unless otherwise ordered by the Court, the amount of the creditor's total claim listed on the proof of claim controls over any contrary amounts listed in the plan.
- Vesting of Property of the Estate. Property of the estate shall revest in the debtor(s) upon confirmation of the Plan. 10. Notwithstanding such vesting, the debtor(s) may not transfer, sell, refinance, encumber real property or enter into a mortgage loan modification without approval of the Court after notice to the Trustee, any creditor who has filed a request for notice and other creditors to the extent required by the Local Rules of this Court.
- Incurrence of indebtedness. The debtor(s) shall not voluntarily incur additional indebtedness exceeding the cumulative total 11. of \$5,000 principal amount during the term of this Plan, whether unsecured or secured, except upon approval of the Court
